

Thank you for buying the Proximity Mine!

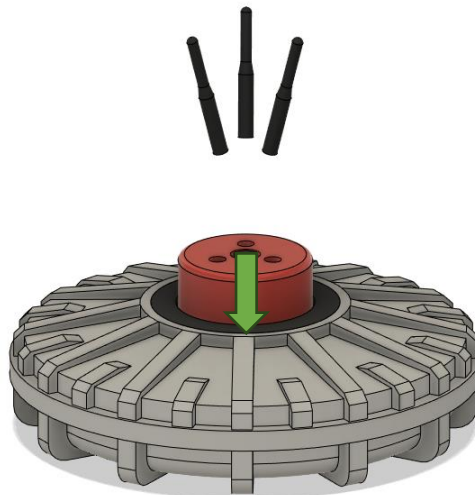

If you have any questions about the product don't hesitate to contact me through Etsy. Please leave a review on Etsy on what you think about the product. Also feel free to check out my other products on Etsy.

Package contents:

Assembly /

Installation:

To assemble the model, put the 3 antennas inside the 3 holes on the top of the red tower as shown in the picture above (See green arrow). Optional: apply a drop of glue in the hole before inserting the antenna.

Best regards
